**Re: Letter of Support for 198 Worcester Street, North Grafton**

Dear Chairman Hassinger:

This firm represents John J. Schofield and Louise R. Schofield in connection with the above-referenced matter. I am pleased to report that Sargon Realty LLC and my clients have reached a resolution and, as part of that agreement, my clients are withdrawing their previous objection and now support Sargon Realty's application to modify its Site Plan as set forth in the Substitute Plan (or any materially similar plan) based on the terms agreed to by the parties. Further, as part of the parties' agreement, my clients will also support and not object to Reunion Tap & Table's efforts to obtain a Certificate of Occupancy provided the site plan approved by this Board is consistent with the Substitute Site Plan.

Very truly yours,

  
Douglas T. Radigan
